

Announcement

Since the Convener, Professor Kar would be out of town from February 2 – 20, 2023, we request interested participants to send their queries and abstracts for the Critical Zones workshop (held on 6-7 March 2023 by Professor Stephen Muecke from Australia) to Hitangi, a research fellow at FCT on her email address: hitangifct@gmail.com

The last date for receiving the letter of intent/statement of purpose is February 15, 2023. Mr Ajay Menon would be notifying the participants whose letter of intent has been accepted and the accepted participants are requested to register themselves soon thereafter by following the guidelines provided by Mr Menon.

The details for this workshop such as the ‘Call for Papers’ announcement and the poster are available for reference on the Forum on Contemporary Theory website.

We look forward to your participation.
