

## **Announcement**

**Forum on Contemporary Theory has invited as visiting professor, Dr William Pederson, the founding director of the International Lincoln Center at Louisiana State University Shreveport to Baroda to hold discussions and deliver a lecture.**

**Widely published, Dr Pederson's works include numerous books and articles with an emphasis on the presidency; the first cross-national study of prison camp revolts; and comparative politics. Dr Pederson will be welcoming any queries and discussions from students and research scholars on American Studies, American Presidency and Comparative Politics from December 26 – 28, 2022 between 11 am to 5:30 pm at Forum on Contemporary Theory, Siddhi Vinayak Complex, Faramji Road, Alkapuri. He will also be delivering a lecture on *Abraham Lincoln as America's first Green President* as part of the FCT Occasional Lecture Series on December 29, 2022, from 4:00 pm onwards.**

**All those interested are welcome to visit the Forum on Contemporary Theory to meet Dr Pederson and have academic discussions with him during this time period.**
