

FCT Discussion Group

Welcomes You to

Its 14th Meeting on

“What/Why Theory?”

On

Wednesday, 6 February 2019 at 4 pm

At

Conference Room,

Forum On Contemporary Theory

C 303, Siddhi Vinayak Complex, Faramji Road, Vadodara

Please feel free to attend even if you haven't attended the previous meetings, read the pieces we discussed and films we screened. Meetings are open to all and completely free.

In our previous meeting, we discussed an example (*Juice* by Neeraj Ghaywan) everyone agreed was straightforward, even heavy-handed, but relevant. We will continue our discussion on theory with a slightly more advanced piece of reading. The article the excerpt is from is fairly lucid in its language and style, and doesn't rely on you to be a student of humanities to understand it. We will sincerely appreciate if you try reading it before attending the meeting.

If you find it difficult or obscure, attend the meet anyway.
